

Use Zamzar to Download a YouTube Video for Classroom Use

Although the WA filter blocks direct access to **YouTube**, you can use **Zamzar** (from home) to convert and download a **YouTube** video for use in the classroom.

Please adhere to **fair use guidelines** in the use of video content.

First, highlight and copy the **YouTube** video URL from your browser's address bar.

Next, go to www.zamzar.com

On **Step 1** click **URL** to change to the appropriate form.

Step 2: 'Choose the format to convert to:' with a dropdown menu labeled 'Convert file(s) to:'. Step 3: 'Enter your email address to receive converted files:' with a text input field. Step 4: 'Convert (by clicking you agree to our Terms of Service)' with a 'Convert' button.

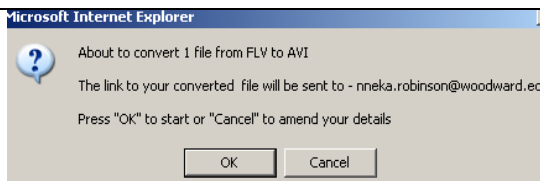

Step 1. Paste your **YouTube** URL. Click **Add URL**.

Step 2. Choose the format to convert to: under **Video formats**, select **avi** for playback on your school computer or **mp4** for both computer and **iPod**.

Step 3. Enter your **email address** to receive the converted file link.

Step 4. Click **Convert**.

Hit **OK** at the next pop up window.

When the upload is complete you should see the following screen:

Please note: It may take up to a couple of hours for the **notification email containing your download link** to arrive in your email.
